## SUMMARY

---

Results-driven and highly motivated aspiring web developer who enjoys creating dynamic and user-friendly websites. I'm eager to use a solid foundation in HTML5, CSS3, and JavaScript to support new and sophisticated projects. A quick learner with a strong commitment to stay on a level of the latest industry trends and technologies. Proven ability to work collaboratively and independently in a team during my KodeGo online course, with excellent problem solving and communication skills. Looking for opportunities to apply and expand my web development skills in a challenging and dynamic environment.
